A Few Tips & Tricks FOR OUR EXTENDED SESSIONS

- Don't be afraid to think outside the box! We want to capture who you are, right now, as you prepare to graduate.
- Texture and color will make your portraits POP, so make sure to bring some colorful wardrobe options.
- Dress head to toe! If you're bringing a sports jersey and equipment, bring everything, including shoes, hats or helmets to complete your look.
- Don't forget accessories! Hats, jewelry, watches, shoes, hair accessories, and scarves are a great way to show off your style. A simple necklace or earrings will accent your yearbook portrait perfectly.
- Bring a few of your favorite things! Think band tees, statement jackets, jerseys, even your favorite books or records. Vary necklines and sleeve lengths for different looks as well.
- Can't decide on outfits? Bring a few extra options and ask your photographer to help you match your outfits to each studio station.
- Avoid being overly tanned or sunburned, or having obvious tan lines. If you've been spending a lot of time at the pool, consider clothing that will disguise tan lines, which are costly to remove!
- Make sure you've got the appropriate undergarments for each outfit.
- Iron your clothing! Wrinkles show, even when you don't think they will.
- It's a good rule of thumb to wear a little more makeup than usual for portraits. Don't worry about being ready for an awards show; rather gently highlight your features with a little extra mascara and a bit of blush.
- Gentlemen, make sure to come clean-shaven or make sure your beard is trimmed up.

OAKS CHRISTIAN GENTLEMEN - YOUR SCHOOL REQUIRES YOU TO BE CLEAN-SHAVEN FOR YOUR OFFICIAL PORTRAIT.

SESSION FEE

- All Session fees are due in full at the time of booking to secure your appointment.
- All applicable sales tax will apply.
- Client may reschedule an appointment one time at no charge with 24 hour notice.

VIEWING IMAGES FROM A SESSION

- Standard yearbook proofs will be available to view and order online approximately 7 business days after your session.
- Extended session images will be ready for viewing approximately 14 business days after the session.
- We highly recommend returning for a viewing appointment for access to specialty items, such as tassel frames, albums, montages and other great products that are not available online. All packages and retouching options can be explained and discussed in detail.

RETAKES

- If you are in need of a retake, the first one is offered at no charge. However, the images from your previous session will no longer be available to view or purchase. Please call to schedule a retake.
